

Children's

FINANCIAL ASSISTANCE POLICY

So that all children may have a better chance to live...

Children's mission is to improve children's health by delivering extraordinary care, educating health care professionals and promoting pediatric research. Our commitment to children's health also includes providing care to patients who are unable to pay or require payment assistance.

You may be eligible for financial assistance. Eligibility is based upon family income, family size and other special circumstances. Financial Counselors are available to assist you with questions regarding financial assistance and the application process. To contact a Financial Counselor please speak with a Children's employee in any of the following locations:

- Hospital main lobby registration
- Hospital emergency room registration
- Specialty Pediatric Center lobby registration or any clinic check-in desk
- Children's Physician Clinic or Urgent Care check-in desk

You may speak directly with a Financial Counselor by phone at:

- 402-955-6051 or toll free at 1-866-535-3412
- Financial Counselors are available Monday – Friday from 7:30a.m. – 4:00p.m. CST

Children's Financial Assistance Policy and the financial assistance application form are available via the internet at:
